

Rangely, Maine "Moosin"

August 10 – 12, 2010

3 Days/5 Meals

Day 1 Complementing the magnificent region of New England is the Rangely Inn, an authentic restored turn-of-the-century hotel offering us delightful rooms, splendid cuisine & that special "personal touch" often overlooked today. With over 40 lakes and ponds in the area, plus some of Maine's highest mountain peaks nearby, it won't be long before our group is in the "Switzerland of America," Rangely, Maine. You're certain to love this charming country inn built in 1877, featuring all rooms with private bath and old fashioned comfort. A welcome reception, DINNER and evening entertainment end our day.

Day 2 We begin our day with a hearty BREAKFAST, then begin our travel down the Carrabasset Valley into the heart of Maine's ski country. We'll pass through Kingfield, an attractive community noted for its woodmills and birthplace of the Stanley brothers of Stanley Steamer fame. We will proceed on to Washburn-Norlands Living History Center for the "laugh & learn" program and LUNCH. Become part of the action led by talented performers in the local dialect and with good humor. We guarantee you will laugh at this folk-style presentation. Return to the Inn for high tea with live music and some free time before enjoying a traditional Maine BARBECUE. What a nice way to end the day, even though its not over yet....until we go "moosin" on the back roads this evening just before dark.

Day 3 Unfortunately, our group must bid farewell to everyone at the beautiful Rangely Inn after BREAKFAST and start our journey homeward...enjoying the scenic beauty along the way.
