The hotel features free nightly piano entertainment in their luxurious lobby bar. Cruise along the calm waters of the harbor and see a variety of marine life on this narrated excursion. You'll head to a small island to look at harbor seals basking on the rocks and enjoy the majestic scenery of the Maine coast. Following our cruise, we depart for free time for lunch on your own in Bar Harbor and some time to explore the shops, boutiques and galleries in downtown Bar Harbor. Day One

Travel to Boothbay Harbor for a unique Maine coast adventure. Check into your waterfront inn in Boothbay Harbor for three nights at Boothbay Harbor Inn, located within walking distance of the footbridge that connects to the "downtown" center of Boothbay Harbor where there are many shops and art galleries to explore. The hotel features beautiful sunsets from this side of the harbor. Get ready for your Maine Lobster Dinner with all the fixin's while enjoying the beautiful views of the cove. Don your souvenir Maine lobster hat for this traditional downeast feast. An alternate menu is available for any landlubbers. (Lobster Dinner)

Day Two

A full breakfast at the hotel this morning. Today you'll enjoy a Nature Sightseeing Puffin-watching Cruise to Eastern Egg Rock, like an ocean-going treasure hunt.... you just never know what's going to show up! As we travel through Boothbay harbor and search for all the marvelous sea creatures which call this area their home, seals often surface near the boat, or can be found sunning themselves on the rocks. A loon flies by and a Minke Whale surprises everyone with its sheer size and bulk. And, of course there are lighthouses, which we know as permanent treasures here on the Maine Coast. Truly a magnificent "Seafari" for all nature lovers and a wonderful experience with terrific scenery and miles of coastline between Boothbay Harbor and Eastern Egg Rock. But the real treat is in seeing the busy and exciting colony of Atlantic Puffins at their southernmost nesting island in all of North America! Have lunch on your own in this popular resort town which has retained the atmosphere of an old New England village. Fishing craft lie alongside wharves that follow the quaint, winding village streets. Yachtsmen and artists began vacationing here in the early 1900's. You'll have free time to explore the local galleries, boutiques and plenty of casual restaurants from which to choose. This afternoon you'll take a guided tour of the new Coastal Maine Botanical Garden. See the beautiful coastline along woodland paths and along the river bank. Here the majestic Maine woods meet the rocky shore. The wetlands shore and the fern glens meet the moss and lichen covered ledges in a variety of special theme gardens such as the wildflower garden and the children's garden (the most popular!). Guided tour lasts approximately one hour, followed by free time to explore at your own pace. Return to the hotel and freshen up for Dinner at a local favorite. (Breakfast & Dinner)

Then it's onto Rockland, the entry point to Penobscot Bay, perhaps the most scenic body of water on the eastern seaboard. You'll see quiet little protected harbors filled with working lobster boats. Ospreys and bald eagles nest high in the spruces along the rugged shores, deer browse the open fields, moose forage the wetlands and harbor seals make their annual pilgrimage to quiet coves. Enjoy music and entertainment and of course feasting on hot Maine lobster and other Maine delicacies. At last year's festival nearly 20,000 pounds of lobster were prepared in the world's largest lobster cooker. Local arts and crafts and special exhibits are featured at this festival along the working waterfront. Explore the fabulous shops and art galleries in downtown Rockland which is just steps from the festival gate. After you get your fill of Lobster, you'll reconvene for a guided tour at the Maine Lighthouse Museum, a unique collection of historic artifacts of the US Coast Guard and local lighthouse culture. On your way back to Boothbay Harbor, stop for some unique, handmade souvenirs at the Maine State Prison Store Showroom. Day ten, Thursday - Oklahoma City, Oklahoma

We leave Tulsa this morning traveling down America's most iconic road Route 66 the "Mother Road - Historic Route 66" - Oklahoma has more miles of the original drivable Route 66 than any other state. Our first stop at the Route 66 Interpretive Center where we will enjoy displays of chrome, neon, and "Dust Bowl" pictures. Next, a stop that will quench your thirst at POPS, an iconic four ton, 66-foot sculpture of a soda bottle covered in dazzling multicolored LED lights paying tribute to the main attraction in POPS: over 600 kinds of soda from berry to classic cola, POPS has it all! We arrive in Oklahoma City at the National Cowboy and Western Heritage Museum (includes a BBQ lunch). The first thing you will see upon entering the soaring, sun-lit lobby, a sculpture "The End of the Trail" - depicts an exhausted Native American slumped astride his equally weary horse on the edge of the ocean, reflecting the prediction that someday, the Indians would be pushed into the Pacific. A guide will take you through the museum showing you the history of this mainstay of American folk music.
